

CAPABILITY STATEMENT

UEI: LAVFHMXXM777
CAGE CODE: 7NAS6

NAICS:
333413 Air Purification Equip Mfg (P)
335131 Residential Electric Lighting Fixture Mfg.
335132 Industrial Lighting Fixture Mfg.
335139 Electric Lamp Bulb Equipment Mfg.
621999 Miscellaneous Ambulatory Health Care
622110 General Medical and Surgical Hospitals
238220 Heating and Air-Conditioning
333414 Heating Equipment Manufacturing
561720 Janitorial Services
561210 Facilities Support Services
423450 Medical, Dental, Hospital Equipment
624230 Emergency Relief Services
621610 Home Health Care Services
325412 Pharmaceutical Prep Mfg
325413 In-Vitro Diagnostic Mfg
334111 Electronic Computer Mfg
337127 Institutional Furniture Mfg
339112 Medical Instrument Mfg
339113 Medical Supplies Mfg
339940 Office Supplies Mfg
424210 Drugs Merchant
446110 Pharmacies/Drug Store
446199 Medical Equipment Store

PSC:
6515 Medical & Surgical instruments, Equipment
6530 Hospital Equipment Utensils & Supplies
7290 Misc. Commercial Appliances
F101 Environmental Systems Protection
6520 Dental Instruments & Equipment

Invictus Sterilization

ABOUT INVICTUS STERILIZATION

Invictus Sterilization (dba) is a small business focused on improving indoor spaces through medical-grade air and surface sterilization products that have been 3rd-party tested. We deliver a 99.99% sterilization rate for bacteria and viruses.

Our solutions help provide local indoor sterilization where the majority of transmission occurs. Designed for ease of use, the Aura Air Purifiers can be placed on the floor, on a table, or mounted from the ceiling. The Solar Flare UV-C Tower provides a fast and reliable sterilization solution.

Invictus' founding team has a history of innovation and has been in the lighting industry for over 35 years. Our understanding of ultraviolet (UV) technology allows us to develop the most effective air and surface sterilization solutions.

CORE COMPETENCIES

EQUIPMENT:

- ❖ Air-Sterilization
- ❖ Surface Sterilization
- ❖ Transit Sterilization
- ❖ UV-C Powered Medical-Grade

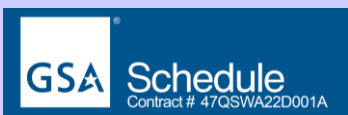

PAST PERFORMANCE

- ❖ Department of Commerce, Washington DC
- ❖ Warren County School System, Warren County, NC.
- ❖ Town of Hickory, City Hall, Hickory, NC.
- ❖ SV Medical Center, Patchogue, NY.

DIFFERENTIATORS

- ❖ FDA Cleared Class II Medical Air Purifier
- ❖ 3rd-party tested at accredited laboratories
- ❖ BAA-compliant products
- ❖ UV-C (LED, Induction, Fluorescent)
- ❖ HEPA filtration
- ❖ Cold-catalyst oxidizer
- ❖ Photo-Catalyst Oxidizer
